Dear Neighbor,

As part of our ongoing program to celebrate businesses that offer discounts to senior citizens and military veterans, our office has compiled a list of companies and organizations that provide special consideration to these constituents. This booklet contains a variety of discounts that I hope you will find helpful. The list will be updated annually when additional companies make their discounts known to our office. Contents may also be viewed online @ www.stlouis-mo.gov/government/departments/license/

My goal is to provide a resource to the community that is valuable to our City's seniors and veterans while encouraging businesses to grow and expand. By supporting City businesses, citizens help further enhance revenue for our police, fire department, parks, streets, zoo, schools, and much more.

Thank you for your interest in this booklet and for supporting the City of St. Louis.

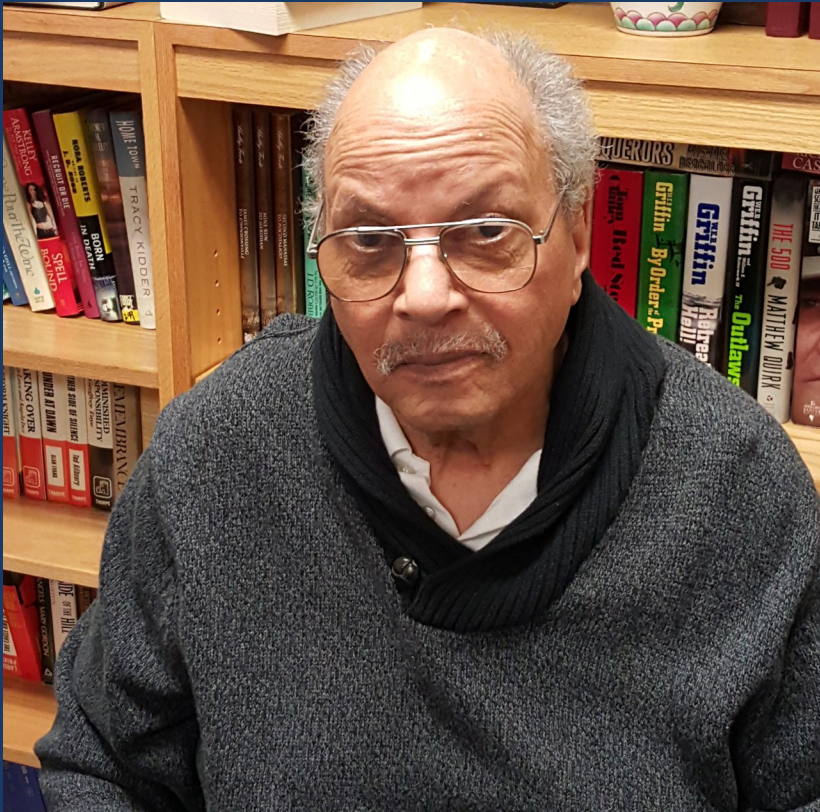

Sincerely,

A handwritten signature in black ink, appearing to read "Mavis T. Thompson". The signature is fluid and stylized, with a long horizontal stroke extending to the right.

Featured Veteran

GEORGE CARPER

George Carper was born July 15, 1923. After graduating from Sumner High School in 1941, George signed up in June of the same year to become a Tuskegee Airman. At only 17 years old, he was too young to fly a plane, so he began training as an airplane mechanic until he was able to train as a pilot. George eventually received both his mechanics and pilots license. After serving, George operated his family owned business Carper Casket Company, and was recently honored at the 78th Annual National Funeral Directors & Morticians Association Convention held in St. Louis.
